

34 Alpujarras Walks (Discovery Walking Guides)

34 Alpujarras Walks is the definitive walking guidebook to this beautiful region in the southern Sierra Nevada. Charles Davis vivid walk descriptions bring this dramatic landscape to life from easy walks between the moorish villages up to the major ascents of Mulhacen, Siete Lagunas and Caballo; many of these routes are unique to 34 Alpujarras Walks. All walking routes have full GPS Waypoints plus an informative summary. Each walk description includes detailed mapping adapted from the new Alpujarras Tour & Trail Map. Charles also includes suggested strolls for shorter walks and a guide to the five major Pista Forestals (dirt roads) of the region. Add in thorough background information and comprehensive accommodation, bus and taxi information and you have the complete Alpujarras walking guidebook.
