

A General View of Sweden (Classic Reprint)

Excerpt from A General View of Sweden Having resided along time in Sweden, travelled through the interior parts of the kingdom, and acquired a sufficient knowledge of the language spoken by the inhabitants, I thought myself qualified to undertake the following work, intended to give an account of a country rendered illustrious by a great number of eminent characters; a country which was a long time the arbiter of Europe, and which for twenty-two years withstood several formidable powers united in a league against it. Sweden, even after its decline, is doubtless worthy of attention, on account of its domestic revolutions; the efforts which it has made to repair its misfortunes; and the courage with which it lately combated an ambitious neighbour. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
