

Across the Country of the Little King: A Trip Through Spain (Classic Reprint)

Excerpt from Across the Country of the Little King: A Trip Through Spain
The number of tourists availing themselves of the Southern or Mediterranean route is annually increasing. Many, taking advantage of the stop-over privilege, land at Gibraltar and have a hurried but fairly satisfactory glimpse of Tangier, Seville and Granada, while a goodly number leave the steamer at that port and pass by the route herein portrayed to the northern frontier, - a journey of surpassing interest. The student or specialist may find the available literature on the subject satisfactory, but, to the ordinary traveller, Ford, Murray and OShea are cumbersome, heavy and profuse. While not offered as a Guide-book, it is felt this modest volume will prove a pleasant and useful companion along the way, touching upon all the sights the bird of passage will care to see. About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
