

France Country Map by Hema (English, French and German Edition)

Road and travel map in color with subtle tint changes to show elevations. Shows ten different kinds of highways and roads, including toll roads, roads under construction, roads reserved for caravans, etc. Identifies road numbers and shows distances in kilometers. With this map you can identify and locate cities and natural features that warrant a special trip as well as those worth a detour. Also calls out scenic roadways, ruins, towers, natural areas and national parks, as well as scenic viewpoints. You can also find youth hostels and camping locations, temporary shelters (hiking) and secluded hotels, and waterfalls. Locates railways, car ferries, shipping routes, airports. Folded paper map with protective card-stock cover. Legend also in Dutch.
