

America the Strong: Conservative Ideas to Spark the Next Generation

What is FLINT? Its what makes America strong. We live in a culture that often dismisses and ridicules conservative values. By the time liberal professors, the news media, and Hollywood get through with them, many young Americans are convinced conservative means extremist and intolerant. Its a distortion that endangers Americas future. Bill Bennett and coauthor John Cribb explain what conservatism really means using five fundamental principles summarized by the word FLINT: Free enterprise Limited government Individual liberty National defense Traditional values America the Strong shows the next generation how these principles have made the United States a great nation and why they are worth preserving. It answers more than 100 questions, from Do conservatives hate the government? to Whats wrong with having an open border? to Why cant rich people pay all the taxes?
