

Archaeology and the Bible (PowerPoint): A Pictorial Guide to the Amazing Discoveries of the Bible

This unique and easy-to-use PowerPoint is an indispensable tool for pastors, teachers, and all students of the Bible who desire to make the connection between history and faith. It contains over 175 slide frames illuminating and describing the most current artifacts unearthed by archaeologists in Europe and the Middle East that relate to the Old and New Testaments. Perfect for personal or in classroom use! Subjects include an introduction to archaeology, ancient writing, Old and New Testament artifacts (including the Goliath Inscription), Dead Sea Scrolls, coins, inscriptions, and the reliability of the Old and New Testament.
