

## Carls Story; the Persistence of Hope

The true story of Kalman Willner, a remarkable man who survived numerous labor camps and the concentration camps of Auschwitz, Buchenwald and Dachau, from the time he was 14 until the age of 20. It is an account of one mans incredible, harrowing journey of courage and undying hope as he struggles to survive mankinds darkest hour, and the miraculous resiliency of the human spirit he imparts. Ultimately, it is a story of hope and grace, for he went on to live a happy and successful life. A must read for anyone interested in the humanity and inhumanity of man and the forces of good and evil. A testimonial for a new generation at a time when the few remaining witnesses of the old are slowly passing from us forever. The ultimate story of survival!
