

ChoiceWay Guide: PARIS

ChoiceWay Guides: PARIS is a CD-ROM based travel guide that provides a unique virtual visit to Paris featuring videos, pictures and interactive maps showing popular destinations, transportation, schedules, tips, planning information, history, a dictionary, resource lists, and more, with updates available on line. Visitors will see and hear what they will encounter from the moment they arrive at the airport making it easy to find their way and get the most out of their trip. Extensive use of video clips and photos gives travelers a much better feel for what to expect than is possible with conventional guides. Videos and pictures include not only popular tourist destinations, but also useful scenes of train and subway stations, airports, buses, hotel check in, currency exchange, telephones and much more. There are 60 real-time, full-motion video clips and more than 600 color photographs, all shot on-location. Interactive, up-to-date maps are a key feature of ChoiceWay Guides. They make it easy to find the sites of Paris and get around the city. With a simple point-and-click, users can quickly get from a high level map to maps with increasing detail, all drawn to scale. Also included are maps and diagrams of the subway system, main stations, metro, buses and airports. ChoiceWay Guides feature the latest in computer and digital video technology on CD-ROM, to provide extremely fast interactivity. All the maps, videos, and pictures open quickly, without the long download waits found on the Internet. A Quick time video player (included) displays the high-resolution color footage (320x240 pixels) and 16-bit sound. The easy to use interactive format of Paris, allows users to move quickly back and forth between photos, videos, descriptions and maps. There is extensive cross-referencing, resource lists and dozens of direct Internet links to other key travel information web-sites. All web sites listed

have been reviewed to insure their usefulness. Also available is ChoiceWay Guides: LONDON and ChoiceWay Guides: ROME. The ChoiceWay Guide is the most complete source of travel information available!
