

I AM THE WAY TO INTER-FAITH UNDERSTANDING

This multifaceted book will: 1) Will Help promote Universal Inter-Faith Understanding and World peace. 2) Will Help in Countering Terrorism based on Religion by removing Certain Inadvertent Misconceptions and Ignorance of a Large number of Historical Facts that had gone into hiding. 3) Will Offer a novel solution to the ongoing Arab-Israel stand-off that has been menacing the World for the past so many years. 4) Will Give a Powerful Impetus to Further Marathon Research, at the International Level, by Highly Competent Scholars, into the Hundreds of Texts & Documents, already excavated in and around Palestine, in 1919-1920s, that contain a Mine of Golden Information for the period from much before @ 3000 BC to well after @ 2000 BC. This information of vital importance to all Humanity. These Texts & Documents have been eating dust in some museum somewhere, ever since they were excavated and they will continue to do so, for all time to come, if the World Community fails to take notice of my research and act fast. 5) In the absence of the Buddhist Manuscript on the basis of which, the Russian journalist, Mr. Nicholas Notovitch had concluded in 1894 that Jesus had come, lived and studied in India, I have discovered an alternative way to prove that Mr. Notovitch was right. 6)

Countless number of International Inter-Faith Conferences have been held, ever since the first such Conference was held in Chicago, U S A in 1893. But the net result of all these Conferences has been a Big Zero. I thought over this question and decided to find out a really effective way to achieve the desired result. This book is the result of such an effort. In the interests of promoting Universal Inter-Faith

Understanding, I seek the kind co-operation of one and all. 7) Although hundreds of books have so far been published on the subject of Jesus, this

one is different from all the others. It will also prove to be a highly Informative book.

Never before has such a book been written on the subject of Jesus vis a vis World Religions. Readers will surely appreciate my book.
