

## Conversational Italian for Travelers: Just the Verbs

If you are a teacher or student of Italian, you need this reference book! All the information about how to use Italian verbs that you need to know is set out in clear language with easy-to-read, color coded tables. Like the textbook from which it is derived, Just the Verbs focuses on the conversational use of Italian, with detailed explanations made interesting and fun by focusing on travel situations. Present, imperative, past, future and conditional tenses are covered, with realistic examples from daily life. Also find excerpts from the Grammar and Idiomatic Expressions sections of the Conversational Italian for Travelers textbook. As a complete work in and of itself, this book makes learning Italian verbs really come alive!
