

Fodors Ireland 2007 (Fodors Gold Guides)

With the Celtic Tiger roaring more loudly than ever, irresistible Ireland continues to boom in economy, culture, and tourism (more than 1 million North-American visitors in 2004) little wonder Fodors Ireland 2007 is one of the top-selling Europe guides. Now, to make the journey even more memorable, the Emerald Isle joins the next generation of Fodors Gold Guides, with an innovative, photo-rich, browsable design that sparkles with a bevy of new features. Quintessential attractions now highlighted with unique, pictorial layouts on Dublin pubs, Georgian houses, trad music sessions, and more. New chapter openers feature interactive maps and Planner Pages on how to make the most of your time. Voices of Ireland interviews let colorful locals explain Irish culture (for instance, a barkeep explain the tricky rounds system). Nearly double the number of maps from the previous edition, plus a new full-color, pull-out country map. 8-page color photo insert reveals Ireland's 40 shades of green.
