

365 Days in Italy 2012 Calendar (Wall Calendar)

The food, the history, the art, the architecture, the sun-soaked landscapes that entice visitors to Italy and stay with them forever. A celebration-in-pictures, 365 Days in Italy captures the true spirit of la dolce vita. Sailboats in Santa Margherita Harbor. Amalfis seaside cliffs plunging into azure waters. Baskets of just-picked olives. Plus a zig-zag of trees in Umbria, fat porcini, an ornate duomo unchanged through the centuries. With hundreds of full-color photographs by Steven Rothfeld and evocative text by Patricia Schultz, author of the New York Times bestseller 1,000 Places to See Before You Die, its a little piece of Italy for every day of the year.
