

## Bremer Kidnapping, Part 301 of 459

Alvin Francis Creepy Karpis, born as Karpowicz (1907-1979), was a notorious gangster of the 1930s. He committed many of his crimes with a gang of criminals, including several Barker brothers; Doc and Fred Barker were two of the most active members. Their mother Kate Ma Barker was also involved, though not as the criminal mastermind later media legend made her out to be. The Barker/Karpis gang was responsible for two of the eras most notorious kidnappings-the abduction of William Hamm in 1933 and Edward Bremer, Jr., in 1934. This release consists of the extensive Bureau file on the Barker/Karpis gang. The bulk of it covers from 1933 to 1936, but it extends well into the 1970s because Karpis lived to late in the decade. Some information in these documents may have been redacted for security purposes.
