

# SPQR Italy

Thinking of going to Italy, or have you been, in either case we trust you will find this book interesting. Over 120 typically Italian images and 40 pages. When buying the print books, we recommend that you purchase the dust jacket hard cover version. You get a bit more info and a couple more images, for a bit less. Our photographic travel covered much of the country north of Rome. Tuscany, Cinque terre, Lake Como, Venice, Umbria, Gubbio and many sights and scenic wonders along the way. Please let us know your thoughts, either by the comments panel.
