

## Madeira and the Azores

Nature has been more than liberal with Madeira; purple bougainvillea cascades over ancient walls, mimosa fills the air with its scent, jacaranda petals carpet the streets in blue. This is the land of eternal spring. Year-round, the clean, clear sea is excellent for all kinds of water sports, while the neighbouring island Porto Santo boasts a long golden beach. Each of the nine Azores has its own character and charm. The landscapes vary from crater lakes to patchwork fields, from lava-walled vineyards to clouds of blue hydrangea. Discover them all!
