

The Orange Revolution in Ukraine - A Step to Freedom.

This photo book contains photographs of The Orange Revolution in Ukraine. The author was a participant in all the famous and remarkable events of November-December 2004. As a citizen and patriot, she stood on Maidan, Kyiv, with hundreds of thousands of fellow Ukrainians, and cried out words of Truth, Freedom and Validity, protesting against the massive corruption, voter intimidation and direct electoral fraud. As an experienced photographer, she recorded the history of modern-day revolution, observing the events, faces, and facts through the lens of her Canon. This book is useful and interesting to those who are curious about world history, photography.....and Ukraine, in particular.
