

Political Craps

We the people of the United States, in Order to form a more perfect Union, establish Justice, insure domestic tranquillity, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do hereby vow to actively participate as informed citizens, holding ourselves and our representatives accountable, in the conduct of our nations affairs to serve all generations now and in the future. Obamacare. IRS Scandal. NSA and Privacy. BridgeGate... Anthony Weiner. Chris Christie. Tom Ford. Bob Filner... Shutdown vs Meltdown. Gridlock, TeaParty. Rep. vs. Dem... Deficits. Lobbyists. Unemployment. Opinion Polls... Theyre all here and its all up to you! Enough is enough and the time for action is now. Everyone says theyre fed up with the partisan rancor, inefficient government, and the blame games. People cry for leadership and apathetically accept the status quo. In Political Craps. Author Tom Ufert lays it all out as a former political insider and holds both politicians and voters accountable. He reminds us all that with freedom comes responsibility and change takes action. A Government by the people, for the people.
