Quantum Leap for Success

Foreword by Sir Maurice Donn `VITAL INFORMATION FOR YOU TO BE SUCCESSFUL' `Quantum leap to Success` is a timely book; it deals with all aspects of organisational change, at a time when the world is facing new and substantial challenges. In many cases the only way to survive is to make a quantum leap, but with this book you are not making a leap of faith, rather your leap becomes a pathway, led by an expert guide, whose consultancy at every strategic point assists in making the change seamless and pain-free. 'Quantum Leap to Success' is a book to give you an excellent future and its reading will equip the executive with innumerable management tools and solutions to face the challenges of a fast moving world. The advice given is the result of Dr Thompsons learning and practical experience which has been accumulated over a lifetime. He is, thus well qualified to offer advice and this book will be the business and management bible for many decades to come. Welcome to Are you 'Quantum Leap to Success' ready to take a quantum leap in your business, your career, your life? If you are, Colin Thompson can help you use the power within you to catapult yourself to the success you have always dreamed of having! * Would you like to have more committed employees, enhanced performance, organisational higher productivity, and be able to attract key talent to your organisation? * Would you like to create greater visibility for your business and attract more clients, build a more profitable business while finding more time for your family? * Would you like to have an `Executive Strategy` that can boost your career, bring you greater reward, and help you create balance between your professional and personal life? * Would you like to leverage your existing strengths and develop leadership skills to improve your or your companys

performance? * Would you like to take your career, your department, or your company to the next level? * Would you like to achieve greatness with the success inside you? * Would you like to find a positive direction to take your life and get on the path to success and satisfaction? * Would you like to explore what you really want to do next in your career or your life, find an area on which to focus, and turn that dream into a reality? * Are you in between jobs or unsatisfied in your current job? * Would you like to make your life feel more meaningful and really live from your values, instead of living based upon what the world demands of you? * Would you like to live a more balanced, rich, and fulfilled life? If you answered yes to any of these questions, then this publication may be just what you need to accomplish your goals and create the life you dream of Do you have a game plan for getting what you want out of life? If your answer is no, then this publication will help you create a game plan that will get you moving on the right path for you, so you launch your quantum leap to success! Yes you can achieve success in your life if you wish! Knowledge from Colin Thompson is about putting the power within you to use to create the success in your career and in your life that you desire and deserve so that you may lead your most satisfying and fulfilling life!
