

StyleCity Paris, Second Edition

Now fully revised and brought right up to date, StyleCity Paris is the essential guide to the hottest, most exciting and stylish areas of the city. StyleCityParis will guide you to the total city experience: where to sleep, eat, drink, shop, retreat, explore, or just hang out in stimulating surroundings. It is exquisitely designed and produced, yet ingeniously practical, with lavish use of photography. It discerningly selects the trend-setting restaurants, off-beat cafes, stylish stores, hip hotels, hot districts and neighbourhoods all the special places where locals as well as travellers will find a vibrant urban experience. The book is divided into two sections: Street Wise organizes Paris into seven neighbourhoods and presents the most stylish and stimulating places to visit within each district; and, Style Traveller identifies the most original and most pleasurable places in Paris, from one-of-a-kind hotels to exclusive private boutiques. Specially commissioned photography is accompanied by concise, informed and enjoyable texts, with easy-to-read maps
