

A Critical Biography of Xu Shichang (Volume I & II) / Encyclopaedia of Historiography Biography Series (Chinese Edition)

This book is one of representative works of Mr. Shen Yunlong. Xu Shichang is a famous politician from the late Qing Dynasty to the Republic of China period. He once served as Governor-General of the three provinces in Northeast China in the late Qing Dynasty, and served as the President of the Republic of China from 1918 to 1922. He once was a man of great importance in the modern history of China. This book describes in detail historical events of the present dynasty and characters, and it has quoted a mass of first-hand historical materials. It narrates and evaluates the lifelong historical contributions and defaults of Xu Shichang, and it is of great help for readers to understand the complete historical features of the late Qing Dynasty and the Republic of China.
