

Twas Better to Die: The Irish Times and Gallipoli 1915-2015

The Gallipoli campaign of 1915 is now a byword for military disaster. It was also a tragedy for Ireland. The more than 3,000 Irishmen who died left a legacy of bitterness and sorrow at home. In *Twas Better to Die* we hear from the soldiers who took part and how the dormant memories of that ill-fated campaign have been resurrected 100 years later.
