

## The A to Z of the Crimean War (The A to Z Guide Series)

For a relatively short war, the Crimean War holds an important place in history. Finally, a resource that provides a historical overview of the war from a number of different angles including, the causes, the motivations, the course, and the consequences. The A to Z of the Crimean War fully explores the main engagements, the principal political figures and rulers, the military leaders and naval commanders, and the events leading up to the conflict. This Dictionary is an excellent window into the political, national, and military intrigue that surrounded one of the most costly campaigns of all time. Includes a chronology, maps, and a comprehensive bibliography full of primary sources, as well as classic sources and histories that will allow researchers to trace the changing perception of the war through history.
