

Politics of the New South Africa: Apartheid and After, The

For undergraduate and taught masters courses on modern South Africa as part of a politics, area studies, development studies or combined social sciences degree. This book provides an appraisal of critical moments in South Africa's history: segregation and racial supremacy, black opposition, politics under apartheid and violence and terror. The authors include up-to-date information such as the transfer of power in 1994, enfranchisement and political realignment, the post-electoral period of adjustment and socio-economic transition, the findings of the Truth and Reconciliation Commission and the 1999 elections.
