

## Andalucia, 5th (Cadogan Guide Andalucia)

Cadogans essential guide takes readers right into the heart of southern Spain by uncovering the delights of Granada, Seville and Cordoba, the sparkling coastal resorts and the magnificent landscape. Visit Seville, a city of drama and passion, home to those most Spanish creations, flamenco and tapas, and the greatest gothic cathedral in the world, La Giralda; or spiritual Cordoba with its Great Mosque and medieval quarters; and refined and wistful Granada, with its extraordinary Alhambra palace and spectacular views of the Sierra Nevada. The guide also takes readers to the best of southern Spains beaches and seaside towns, travels over to Gibraltar and shows the best places to unwind with a glass of sherry. With detailed information on getting to and traveling around the region, plus a fascinating insight into its history and development, this is both a highly practical and deeply enthralling accompaniment to an Andalusian journey.
