

Guide to Anthropological Collection in the Provincial Museum (Classic Reprint)

The Honourable H. E. Young, M.D., LL.D., Provincial Secretary and Minister of Education, Victoria, B. C. Sir: I have the honour to submit for your approval a Guide to the Collection of Anthropology in the Provincial Museum, prepared by Charles F. Newcombe, M.D. Since the last Catalogue was issued, in September, 1898, there have been added over three hundred and ten specimens, many of them valuable exhibits. It is difficult to display these specimens as they should be, as the collection is greatly crowded, and has outgrown the space allotted to it. During the present year the collection has been re-arranged according to the tribes, and descriptive labels attached to each specimen, which makes it not only interesting to a student, but to a casual observer. I have the honour to be, Sir, Your obedient servant, FRANCIS KERMODE, Curator, Provincial Museum. November 10th, 1909.
