The Astronaut Wives Club by Lily Koppel
Digest & Review In The Astronaut Wives Club, author Lily Koppel tells the true stories of what happens at home and what the wives go through while their husbands are a part of the space program in the midst of the space race in the 1960s. It explains the expectation of perfection placed on these families and how they became celebrities overnight. These women relied on each other while their husbands were in space to get through this exciting and stressful time in their lives. ??
