

The Trulli of Alberobello, Italy

A truly trulli-theatre, Alberobello attracts the tourists from all over the world and for a good reason. Join your exotic tourmates, Troy and Tamias, to feel the zest and zeal of Puglia, the archetypal Italian south. The Apulian trulli of Alberobello present Italian folk-architecture with a label of the UNESCO World Heritage sight. So, don't even think twice! A fortnight in southeastern Valle d'Itria with accommodation in the medieval limestone huts standing out with their endearing cone-shaped roofs, or... witnessing the van Gogh festival in all its stellar interplay of the blue, are experiences to be taped or photographed in your family album, told and retold by one generation to another. Welcome to Puglia!
