

A HILLARY CLINTON PRESIDENCY?: HAUNTED BY PAST SKELETONS

INTRODUCTION These are the authors predictions regarding the up and coming election of the next president of the United States of America to take office in 2017:

1. There is a one-hundred percent probability Hillary Rodham Clinton will run.
2. There is a one-hundred percent probability Hillary Rodham Clinton will run unopposed as the Democratic candidate.
3. There is a one-hundred percent probability Hillary Rodham Clinton will lose her second bid for the presidency to the Republican candidate.

Hillary Rodham Clintons lost will only come about if the registered voters in the United States read and fully comprehend not only this manuscript entitled, A Hillary Clinton Presidency? Haunted By Past Skeletons; but also the Authors companion manuscript entitled, Hillary Rodham Clinton It Does Matter.
